

PROJECT	TYPE	DURATION	CLIENT	VALUE
Water supply infrastructure: Audit and Investigation	Impala Platinum Mines	2005/2006	Engineering and efficiency intervention	R48 000
Water Demand Management Services	Anglo Platinum: Rustenburg Mine	2005	Engineering	R38 000
Meter Audit including Capacity Building and Institutional support	Rand Water / Bushbuckridge Water	2005	Project Management and mentoring	R55 000
Bulk Potable Water Monitoring Service (1 year contract)	Aquarius Platinum: Kroondal Mine	2006	Engineering	R39 000
Bulk Potable Water Monitoring Service (4 year contract)	Anglo Platinum: Rustenburg Mine	2005 - 2006	Engineering	R114 000
Mine Closure Cost Assessment	Digby Wells & Associates (for Xstrata Coal SA)	2005	Environmental assessment	R130 000
Commercial & Industrial Consumer Meter Audit	Odi Water Services (Tshwane Metro)	2006	Technical Audit	R148 000
Operational Support Services	Odi Water Services (Tshwane Metro)	2005	Engineering support	R49 000
West Rand Farm Schools Project	Rand Water	2003- 2004	School Plumbing Fixture, Health & Sanitation Ass.	R150 000
Operation Gcin'amanzi	Johannesburg Water (Pty) Ltd	2002- 2003	WDM Intervention	R200 000
Policy Relating to Levels of Water and Sanitation Services	Polokwane Local Municipality	2004	Policy Formulation	R80 000
Pressure Management Database	Mogale City Local Municipality	2005	Information Systems	R50 000
Sebokeng/Evaton Pressure Management Project	Emfuleni Local Municipality	2005 - Present	WDM Intervention	R 500 000
Creation of Efficiency Models for the South African Urban Water Sector	Renewable Energy and Energy Efficiency Partnership	2006	Research Project	R600 000
Munsieville Leak Repair Project	Mogale City Local Municipality, USAID, Coca Cola	2005 - 2006	WDM Intervention	R1.2 million
Sharpeville Leak Repair Project	Emfuleni Local Municipality, Coca Cola, DWAF	2006 - Present	WDM Intervention	R4.3 million
Amaoti Caretaker Management Structure at the Community Level for Wet Services	eThekweni Water and Sanitation Services	2006 - Present	Capacity Building	R590 000
Increasing Sustainable Local Government Services (ISLGS)	United States Agency for International Development	2006	WDM Interventions	R750 000
Boipatong – Construction of 1 000 Foundations & Top Structures, RDP Houses	Sub-consultant to SCIP, Gauteng Dept of Housing	2007	Construction – Housing development	R35 million
Lakeside – Construction of 380 Foundations & Top Structures, RDP Houses	Sub-consultant to SCIP, Gauteng Dept of Housing	2007	Construction – Housing development	R12.5million

Ekurhuleni Metropolitan Municipality – Water Demand Management Project	Sub-consultant to Arcus Gibb, Ekurhuleni Metropolitan Municipality	2007	Leak repairs – network Leak repairs – indigent Zone establishment & integrity Water supply by-laws Informative billing Metering policy Rebate scheme Implement Incremental Block Tariff Intervention strategy Reservoirs – condition assessment of reservoirs & pump stations, reservoir repairs & Ops manuals	R400 000
Ekurhuleni Metropolitan Municipality – Water Demand Management Project	School Plumbing Fixture Assessment	2008	Sub-consultant to Arcus Gibb, Ekurhuleni Metropolitan Mun.	R1.3 million
Tshepiso North Ext 1 – Installation of Bulk Services	Construction – Housing development	2007	Sub-consultant to SCIP Engineering Group, Gauteng Dept of Housing	R750 000
Tshepiso North Ext 3 – Installation of Water Network for Temporary Housing Units	Construction – Housing development	2007	Sub-consultant to SCIP Engineering Group, Gauteng Dept of Housing	R320 000
Tshepiso North Ext 3 – Erection of Temporary Housing Units	Construction – Housing development	2007	Sub-consultant to SCIP Engineering Group, Gauteng Dept of Housing	R70 000
Ekurhuleni Schools Project	Efficiency Intervention	2007 - Present	Coca Cola Africa Foundation	R300 000
Consumer Water Meter Audit	WDM Intervention	2007	Colliers – Far West Rand Dolimitic Water Association	R45 000
Mpumalanga Schools Project	Efficiency Intervention	2007 - Present	Coca Cola Africa Foundation, Shanduka Beverages	R700 000
Nelson Mandela Bay School Assessment	Assessment	2008	NMBMM/USAID (ISLGS)	R60 000
Greater Sekhukhune District Municipality Water Conservation and Water Demand Management Project	Ukhamba Consulting Services	2009	Ukhamba Consulting Services	R200 000
Lake Victoria Climate Change Assessment	Climate change study	2009	UN Habitat	R5.3 million
WADA Schools project	School Repair, Training and Education project	2009	Coca-Cola & USAID	R1. 4 million

Water Conservation and Water Demand Management Assessment	Assessment	2009	Rand Water	R950 000
Odi region Asset Register	Data capturing	2008	Odi Water Services (Tshwane Metro)	R75 000
Guidelines for Water Use Efficiency in Commercial & Residential Buildings	Guidebook	2009	eThekweni Metropolitan Municipality	R200 000
Identification of Schools for Installation of Playpumps	Assessment	2009	Water for All	R150 000
Compilation of a Water Conservation/Water Demand Management Strategy for the City of Johannesburg	Planning	2009	Iliso Consulting (Pty) Ltd	R500 000
Leak Repair, Education and Training Project	School leak repair, education and training project	March 09 – Oct 09	GETF, WADA Programme (Coca Cola SA)	R900 000
School Plumbing Repair, Learner Education & Caretaker Training Project	<i>Repairs, Education and Caretaker Training</i>	Oct 2009 – Dec 2009	Coca Cola South Africa	R850 000
Kungwini Local Municipality (Implementing Agent - Rand Water)	To determine levels of water leakage within 9 supply districts, identifying metering issues	June – Aug 2009	Kungwini Local Municipality	R250 000
Kungwini Local Municipality (Implementing Agent - Rand Water)	To determine a high level water balance within the Enkangala supply area and conduct the analysis in one supply zone	Jan – Feb 2010	Kungwini Local Municipality	R220 000
Assessment of Play Pumps in Southern Africa	Baseline assessment of 114 playpumps	Jan – Feb 2010	GETF (Case Foundation)	R160 000
USTDA SA Energy Efficient Building Solutions Workshop	Workshop	2010	U S Trade and Development Agency sponsored by Honeywell	R100 000
